# PHS Band Leadership Requirements

Thank you for caring enough about the PHS Band to desire to become a leader for the upcoming marching season. Please know that the student leadership of the band is critical to the success of the group. Leaders are chosen based on actions AND attitudes not by seniority. It is a firm belief that juniors and seniors should have more experience and influence within the band. That being said, we need students who are willing to do the WORK. No leadership position shall be given out based solely on a student's seniority. ALL leadership positions must be earned.

The following is a list of REQUIREMENTS that must be met by anyone desiring to fulfill a leadership position. Please know that the best candidate must be selected for the band. All leadership candidates must have a minimum of 1 year marching experience at PHS. Drum Majors candidates must have a minimum of 2 years in both the marching and concert band.
